GAP Finance Tracking & Reporting

ANTHC Webinar
July 12, 2016

Presentation by: Desirae Roehl, Tribal Environmental Program Manager
This webinar training series is made possible through an Indian General Assistance Program (IGAP) grant from the U.S. EPA.

The current training schedule was developed based on unmet training needs expressed by tribal programs during statewide gatherings, training sessions and during one-on-one discussions.

We are not EPA employees. Specific questions relating to your individual IGAP grant may need to be referred to your EPA Project Officer.

The following presentation was compiled by ANTHC staff based on our many years of experience working with IGAP grants both at the local tribal level and with ANTHC.

Information provided during this training were compiled from publically available resources with examples developed by EPA, ANTHC and others.

**Total Work Years:**

*Note: Work Years is a measurement of staff time spent on a project activity or activities, compared to one standard work year of 2080 hours. Total work years are calculated by adding the annual hours for each staff position together then dividing the total by 2080 hours. Total work years should then be divided among work plan components (Estimated Component Work Years) to arrive at this amount.*

1. Payment Methods

a. The Debt Collection Improvement Act of 1996 requires that Federal payments be made by electronic funds transfer. In order to comply with the Act, a recipient must receive payments via one of two electronic methods available to them:

Automated Standard Application for Payments (ASAP)

The ASAP system is the preferred method of payment for EPA grantees. ASAP enrollment is highly encouraged for organizations that have multiple grants/cooperative agreements and for those with a frequent need to request funds. If your organization uses multiple bank accounts for EPA grants/cooperative agreements, you must enroll in ASAP. If you are interested in receiving funds electronically via ASAP, please complete the ASAP Initiate Enrollment form located at http://www.epa.gov/ocfo/finservices/forms.htm and email it to LVFC-grants@epa.gov or fax it to LVFC at 702-798-2423.

Under this payment mechanism, the Recipient initiates, via ASAP, an electronic payment request which is approved or rejected based on the amount of available funds authorized by EPA in the Recipient’s account. Approved funds are credited to the recipient organization at the financial institution identified on the recipient’s ASAP enrollment application. Additional information concerning ASAP and enrollment can be obtained by contacting the EPA Las Vegas Finance Center, at (702) 798-2485, or by visiting www.fms.treas.gov/asap.

Electronic Funds Transfer (EFT)

Under this payment mechanism, the EPA Las Vegas Finance Center will obtain your organization’s banking information from your System for Award Management (SAM) registration. Upon completion of required Regional training, a Las Vegas Finance Center Representative will send you an email message with your EFT Control Number and payment information. Additional information concerning EFT can be obtained by contacting the EPA Las Vegas Finance Center at (702) 798-2485, or by visiting http://www.epa.gov/ocfo/finservices/payinfo.htm.

NOTE: If your banking information is not correct or changes at any time prior to the end of your agreement, please update your SAM registration and notify the EPA Las Vegas Finance Center as soon as possible so the new banking information can be retrieved. This is vital to ensure proper and timely deposit of funds.

b. In accepting this assistance agreement, the recipient agrees to draw cash only as needed for its disbursement. Failure on the part of the recipient to comply with this condition may cause the undisbursed portions of the assistance agreement to be revoked and financing method changed to a reimbursable basis.

2. Cost Principles/Indirect Costs for Indian Tribal Governments

The cost principles of 2 CFR Part 225 are applicable, as appropriate, to this award.

If the recipient does not have a previously established indirect cost rate, the recipient must submit their indirect cost rate proposals to:

National Business Center
Indirect Cost Services
U.S. Department of the Interior
2180 Harvard Street, Suite 430
Sacramento, CA 95815-3317

For proposal preparation, the recipient may use the Native American Government checklists located at: http://www.aqd.nbc.gov/indirect/indirect.asp.

Recipients are entitled to reimbursement of indirect costs, subject to any statutory or regulatory administrative cost limitations, if they have a current rate agreement or have submitted an indirect cost rate proposal to their cognizant federal agency for review and approval. Recipients are responsible for maintaining an approved indirect cost rate throughout the life of the award.

Recipients with differences between provisional and final rates are not entitled to more than the award amount, without EPA approval.

Pursuant to 40 CFR 31.26, a recipient agrees to comply with the audit requirements prescribed in the Single Audit Act Amendments, and revised OMB Circular A-133, “Audits of States, Local Governments, and Non-Profit Organizations,” including Subpart C Section 305(b) which addresses the restriction on auditors preparing indirect cost proposals.

Recipients shall submit final Federal Financial Reports (FFR), Standard Form 425 (SF-425), to EPA no later than 90 calendar days after the end of the project period. The form is available on the internet at http://www.epa.gov/octo/finances/forms.htm. All FFRs must be submitted to the Las Vegas Finance Center: US EPA, LVFC, 4220 S. Maryland Pkwy Bldg C, Rm 503, Las Vegas, NV 89119, or by FAX to: 702-798-2423.

The LVFC will make adjustments, as necessary, to obligated funds after reviewing and accepting a final Federal Financial Report. Recipients will be notified and instructed by EPA if they must complete any additional forms for the closeout of the assistance agreement.

EPA may take enforcement actions in accordance with 40 CFR 30.62 and 40 CFR 31.43 if the recipient does not comply with this term and condition.

4. Audit Requirements

In accordance with OMB Circular A-133, which implements the Single Audit Act, the recipient hereby agrees to obtain a single audit from an independent auditor, if it expends $500,000 or more in total Federal funds in any fiscal year. Within nine months after the end of a recipient’s fiscal year or 30 days after receiving the report from the auditor, the recipient shall submit the SF-SAC and a Single Audit Report Package. The recipient MUST submit the SF-SAC and a Single Audit Report Package, using the Federal Audit Clearinghouse’s Internet Data Entry System. Management fees or similar charges may not be used to improve or expand the project funded under this agreement, except to the extent authorized as a direct cost of carrying out the scope of work.

12. Reimbursement Limitation

If the recipient expends more than the amount of federal funding in its EPA approved budget in anticipation of receiving additional funds from EPA, it does so at its own risk. EPA is not legally obligated to reimburse the recipient for costs incurred in excess of the EPA approved budget.

TITLE VI – LEP, Public Participation and Affirmative Compliance Obligation

As a recipient of EPA financial assistance, you are required by Title VI of the Civil Rights Act to provide meaningful access to LEP individuals. In implementing that requirement, the recipient agrees to use as a guide the Office of Civil Rights (OCR) document entitled "Guidance to Environmental Protection Agency Financial Assistance Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons." The guidance can be found at http://frwebgate.access.gpo.gov/cgi-bin/getdoc.cgi?dbname=2004_register&docid=ftr25jn04-79.pdf.

If the recipient is administering permitting programs under this agreement, the recipient agrees to use as a guide OCR’s Title VI Public Involvement Guidance for EPA Assistance Recipients Administering Environmental Permitting Programs. The Guidance can be found at http://edocket.access.gpo.gov/2006/pdf/06-2691.pdf.

In accepting this assistance agreement, the recipient acknowledges it has an affirmative obligation to implement effective Title VI compliance programs and ensure that its actions do not involve discriminatory treatment and do not have discriminatory effects even when facially neutral. The recipient must be prepared to demonstrate to EPA that such compliance programs exist and are being implemented or to otherwise demonstrate how it is meeting its Title VI obligations.

Programmatic Conditions

1. Sufficient Progress

EPA may terminate the assistance agreement for failure of the recipient to make sufficient progress so as to reasonably ensure completion of the project within the project period, including any extensions. EPA will measure sufficient progress by examining the performance required under the workplan in conjunction with the milestone schedule, the time remaining for performance within the project period, and/or the availability of funds necessary to complete the project.

2. Electronic and Information Technology Accessibility

Recipients and subrecipients are subject to the program accessibility provisions of Section 504 of the Rehabilitation Act, codified in 40 CFR Part 7, which includes an obligation to provide individuals with disabilities reasonable accommodations and an equal and effective opportunity to benefit from or participate in a program, including those offered through electronic and information technology ("EIT"). In compliance with Section 504, EIT systems or products funded by this award must be designed to meet the diverse needs of users (e.g., U.S. public, recipient personnel) without barriers or diminished function or quality. Systems shall include usability features or functions that accommodate the needs of persons with disabilities, including those who use assistive technology. At this time, the EPA will consider a recipient's websites, interactive tools, and other EIT as being in compliance with Section 504 if such technologies meet standards established under Section 508 of the Rehabilitation Act, codified at 36 CFR Part 1194. While Section 508 does not apply directly to grant recipients, we encourage recipients to follow either the 508 guidelines or other comparable guidelines that concern accessibility to EIT for individuals with disabilities. Recipients may wish to consult the latest Section 508 guidelines issued by
the US Access Board or W3C’s Web Content Accessibility Guidelines (WCAG) 2.0 (see http://www.access-board.gov/sec508/guide/index.htm).

3. Quarterly Performance Reports

The recipient shall submit quarterly performance reports, which are due 30 calendar days after the end of each Federal fiscal quarter. (Federal fiscal quarters end the last day of March, June, September, and December.) Reports shall be submitted to the EPA Project Officer and may be provided electronically.

In accordance with 40 CFR Part 30.51(d) and 40 CFR Part 31.40, as appropriate, the recipient agrees to submit performance reports that include brief information on each of the following areas:

(a) a comparison of actual accomplishments to the outputs/outcomes established in the assistance agreement work plan for the period;

(b) the reasons for slippages if established outputs/outcomes were not met;

(c) additional pertinent information, including when appropriate, analysis and information of cost overruns or high unit costs.

In addition to the quarterly performance reports, the recipient shall immediately notify the EPA Project Officer of developments that have a significant impact on the award-supported activities. In accordance with 40 CFR Part 30.51(f) and 40 CFR Part 31.40(d), as appropriate, the recipient agrees to inform the EPA Project Officer as soon as problems, delays or adverse conditions become known which will materially impair the ability to meet the outputs/outcomes specified in the assistance agreement work plan. This notification shall include a statement of the action taken or contemplated, and any assistance needed to resolve the situation.

4. Final Performance Report

In addition to the periodic performance reports, the recipient shall submit a final performance report, which is due 90 calendar days after the expiration or termination of the award. The report shall be submitted to the EPA Project Officer and may be provided electronically. The report shall generally contain the same information as in the periodic reports, but should cover the entire project period. After completion of the project, the EPA Project Officer may waive the requirement for a final performance report if the EPA Project Officer deems such a report is inappropriate or unnecessary.

Grantees with large unexpended funds with no reasonable expectation of spending the funds by the end of the budget period, may receive reduced awards or no additional funding in the following fiscal year.

No cost extensions allow grantees to continue working on approved projects for up to a year beyond the original project period. These must be requested. They do not reflect poorly on grantees chances of receiving future funding and do not limit the amount of funds a grantee may request in the future.
Good financial tracking is necessary for the success and growth of your IGAP Program!
