

MOA Project Management & Engineering Tudor Centre / Diplomacy Drive Area Resurfacing

Project Information

Issue 1 - July 23, 2019

The Municipality of Anchorage (MOA) Project Management and Engineering Department (PM&E) has begun construction on the **Alaska Native Health Campus** to resurface the roads with new asphalt pavement and to repaint crosswalks.

WORK INCLUDES:

- ◆ Tudor Centre Drive, Diplomacy Drive, and Ambassador Drive will be repaved. However, parking lot repaving is not part of this project.
- ◆ Replacing concrete sidewalk and ramps to meet accessibility requirements and replacement of areas of deteriorated concrete curbs.
- ◆ Upgrade bus stops and construct taxi lane near the Primary Care Center.

Summer 2019 Construction - What to Expect:

- ◆ Construction will be conducted to minimize impacts to all campus users.
- ◆ Emergency vehicle access will be maintained at all times.
- ◆ Detour routes and alternate access to parking areas will be clearly marked.

Construction Impacts:

- ◆ Beginning Monday, July 29th, **Ambassador Drive will be closed entirely for at least one week.** There will be detours to access buildings along Ambassador Drive as described and shown on the map below.
 - ⇒ Access Consortium Office Building (6) and Health Communities Building (7) from Elmore Road. These buildings can also be accessed from the overflow parking lot on Tudor Centre Drive.
 - ⇒ Access Inuit Building (8) and the Education Development Center (22) from East Tudor Centre Drive.
 - ⇒ People Mover routes 20 and 55 will be redirected to the stop at Diplomacy Drive.
 - ⇒ Miscellaneous concrete repairs around the campus will continue during this closure.
