COVID-19 Guidance

Keeping safety in mind

How do you protect yourself and others from getting sick?

FACE MASKS

Face masks are required in common areas of all buildings on campus. If you are NOT eating or drinking MASK UP!

AVOID TOUCHING YOUR FACE

Avoid touching your eyes, nose, and mouth with unwashed hands.

PRACTICE GOOD HAND HYGIENE

Wash your hands often with soap and water for at least 20 seconds. If soap and water are not available, use an alcohol-based hand sanitizer.

DISINFECT HIGH-TOUCH SURFACES

Cell phones, doors/handles, remotes, keys, light switches, etc.

PRACTICE SELF-CARE

Stay hydrated, eat well, get enough sleep, etc.

PHYSICAL DISTANCING

Whenever possible, people should maintain a six feet of distance from one another.

Take proper precautions to stay healthy!
