Video On Demand Application (VODA) Training: Sending and Receiving VODA Calls

Sending VODA Invites from a Cart or Tablet

Using VODA

- No Account/Log In of any kind required for **either** side
- **Person with Cart or Tablet:** sends link to recipient via text or email
- **Recipient:** provides person organizing call with 10 digit phone number for text invite, or email address
- Video room link unique to **call**. Automatically expires after 24 hours.
 - Organizer may choose to “delete room” to break the link sooner if needed.
- **Connecting from Home:** recipient must have sufficient internet connection and device with camera/mic/speaker

When to Use VODA

- **Inpatient Settings:**

- Connecting a remote provider to the bedside
- Family visits (social, end of life, “let’s meet right now”)

Cart Home Screen

Tablet Home Screen
(**Note:** Keyboard Button)

Click “VODA” Button

Enter Call Organizer Name

- Do not use patient's name
- Will not appear in the invite the participant receives unless you decided to list it in the "Message" box.
- Click "Next"

*Reminder: Use dropdown menu to bring up keyboard.

A screenshot of a web application window titled 'Video On Demand' with a close button (X) in the top right corner. The main content area has a light blue background and contains the text 'Please enter the organizer name...'. Below this text are two input fields: 'First name:' followed by a white text box, and 'Last name:' followed by a white text box. At the bottom center is a blue button with the text 'Next →'. In the bottom right corner, there is a logo for 'ALASKA NATIVE TRIBAL HEALTH CONSORTIUM' and the text 'Copyright © 2018 - 2019 Alaska Native Tribal Health Consortium. Infection Control

- **Per ANMC Infection Control:** “Use the purple top wipes following a 2min contact time (wet time). **BUT DON’T USE ON THE SCREEN.** Use the Screen wipes for the screen. Disinfecting clothes will damage the screen. Screen wipes are 70% alcohol. Of course gloves and good hand hygiene after.”
- **Screen Wipes:** “Easy Screen Cleaning Wipe” Re-order number: P03672

Storage

- Carts and tablets need to be plugged in when not in use.
 - Leaving devices unplugged may result in the battery dying in the middle of a video visit.
- Tablets need to be returned to manager's office/station when not in use.
