

Connecting to Virtual Patient Room (VPR) from an iPad

1. Get VPR code from the VPR page in Cerner:

2. Connect iPad to VPR:

From the iPad, click on the VPR app

Enter the 6 digit VPR code (**TQTNIV** in example)

Enter patient's last name and click on "Join Call"

Admit the iPad into the Zoom meeting from the computer and make the iPad the call host

3. Admit iPad to call if using Zoom:

On computer, close video session. Use iPad to complete VTC

For Audiovisual Support: please contact local AV or IT
