

Welcome to the Alaska Tribal Health Webinar (ATHW) Series Enduring Access Listings!

Approved Provider Statements:

In support of improving patient care, Alaska Native Medical Center (ANMC) is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

CPE Credit will be posted to the online CPE Monitor system within 60 days following completion of each activity when applicable.

The ANMC Joint Accreditation CE Program Portfolio additionally supports Behavioral Health (APA), Social Work (ASWB-ACE), and Dietitians (CPEU).

Contact Hours:

ANMC designates these recorded activities or sessions for a maximum of 1.0 contact hour per access recording.

Access for credit expires one year from recording – and is restated with each recorded session listed in this document.

Financial Disclosures:

None of the presenters and planners for this educational activity have any relevant relationship(s) to disclose with ineligible companies whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients, unless otherwise stated in each separate recording wherein the relevant financial relationships listed has been mitigated.

Requirements for Successful Completion:

To receive CE credit watch the recording in its entirety and complete the electronic survey (additional QR Code or URL for access provided) specific to the recording for automatic CE certificate delivery to the email you provide within the survey.

For more information contact

Financial Disclosures:

Youssef Barbour, MD & Lisa Townshend-Bulson, APRN / faculty for this educational event, are primary investigators (PI) in an ANTHC sponsored hepatitis C study funded in part by Gilead Sciences. Dr. Jorge Mera / faculty of Congenital Syphilis is a PI or sits on the advisory board for Gilead Sciences, AbbVie's Pharmaceuticals, Merck, Roche Diagnostics. All of the relevant financial relationships listed have been mitigated.

Requirements for Successful Completion:

To receive CE credit please make sure you engaged with the full recorded content and then complete the electronic survey associated with the recording (additional QR Code or URL) for the automated delivery of the CE-CME PDF to the email you share.

Alaska ID ECHO: HCV-HIV-PrEP-STIs

Learn together, care together.

To request the PPT Slides for the following recorded content -

- Syphilis 101, Congenital Syphilis and PrEP series: Email akidecho@anthc.org for presentation slides

ANTHC’s Liver Disease and Hepatitis Program, HIV Clinical Services, Behavioral Health Department and Southcentral Foundation’s Pharmacists have partnered with the **Northwest Portland Area Indian Health Board** to expand the AK Hepatitis C (HCV) ECHO to include human immunodeficiency virus (HIV), pre-exposure prophylaxis (PrEP), and sexually transmitted infections (STIs).

During April of 2023 a Four-Part PrEP ECHO Mini-Series was recorded in order to provide enduring access to this valuable content.

The access to claim accredited continuing education expires APRIL 30, 2025.

Each session provides 1.0 contact hour of accredited CE credit including 1.0 contact hour of pharmacological credit for APRNs.
