**NOTE:** Certification exams must be scheduled by June 30, 2025 to be eligible for discount.

**Find More Information here:** <https://www.heart.org/en/professional/quality-improvement/healthcare-certification/cpaha/telehealth-promo>

### Two additional ANMC clinics offering care via Video services

ANMC Nutrition Services

ANMC Interventional Radiology

### Federal Government decides to extend Telehealth Options!!

The options that were extended to September 2025 are:

- Eligible geographic and originating sites (patients can be located in any geographic area)
- Audio-only services (able to bill for these)
- Eligible provider types (PT/OT/SLP and Audiology)
- Eligible Distant/Provider sites (FQHCs and RHCs)

## The Telehealth Assistant team is now the Digital Care & Data Specialist Team

### What They Do:

- Assist in coordination of video appointments for ANTHC Specialty Clinics and Tribal clinics
- Perform Zoom test connections with patients
- Help patients and providers get connected for their video appointments
- Check in patient for their video appointments as needed
- Assist with provider billing for consultation services

Available on Tiger Connect (on call role): ANMC Telehealth Assistant
